To Our Valued Clients:

With the end of the current academic year fast approaching, and many of you in the midst of planning your budget for next year, we enclose for your approval a Services Agreement Reinstatement for continuation of services by The Omni Group as Plan Administrator for your District's 403(b) plan under the new Preferred Provider Program. P3©

The enclosed agreement reflects all fees for the 2012-2013 year under the Preferred Provider Program as selected by your organization on the Preferred Provider Program enrollment form.

Let me assure you that the district and plan participants will continue to receive the highest level of quality service that you have come to expect from OMNI as we continue to provide ongoing services to all active, inactive and retired plan participants.

In light of significant increased IRS audit activity, please note that OMNI stands prepared to fully represent your District in the event of an IRS audit – at NO CHARGE. No other TPA offers to do this!

All of Omni's resources – our On-Line Forms Technology, Call-Center, Educational Platform, In-House General Counsel and more - will continue to be available without limit to all of your employees.

In the interim, should you have any questions regarding our services, please do not hesitate to contact your designated Compliance Specialist – or if you prefer – contact me directly.

We look forward to continuing to provide services to you in the upcoming academic year and as always thank you for your business and your loyalty.
