Thereafter, they will not be allowed back into the District's Plan for active employees unless Medicare does not allow the Medicare Advantage Plan. Such retiree and his or her eligible spouse will in the future continue, during open enrollment, have the option of terminating coverage under the District's current plan for active employees and enrolling in the District sponsored Medicare Advantage plan. **BE IT FURTHER RESOLVED**, if a retiree and his or

her eligible spouse choose, a second time to enroll in the District sponsored Medicare Advantage plan they no longer have the option of returning to the District sponsored health plan in effect for active employees. The retiree and his or her eligible spouse will remain in the District sponsored Medicare Advantage plan until no longer eligible for coverage due to a qualifying life event or for contractual reasons between the District and the retiree. **BE IT FURTHER RESOLVED**, once a retired employee or eligible spouse of the Elmira Heights Central School District is enrolled in a plan, when their spouse turns 65 years old and becomes Medicare eligible, the spouse will be automatically enrolled in the same plan as the retiree.
