Subject: No Heights Kids Go Hungry

I received a donation from Darla Nash, TAE Class of 1965, from their group "No Heights Kid goes Hungry". This group donates money to students that have been identified as needing financial assistance with their lunch accounts.

We do everything that we can to help the students when they have balances, such as sending home free/reduced applications, robo calls, personal calls to the parent, and also our outstanding lunch slips. I have contacted the nurses for middle and elementary to see if they have any recommendations of students in need.

Are there other ways you would like me to identify students in need?

Dear Elmira Heights Board of Education,

Please accept this letter of donation for up to \$1200 for Mr. Lutz to purchase laminating rolls for Cohen School.

Sincerely,

Elmira Heights PFO

Dear Elmira Heights Board of Education Members:

The TAE Class of 2014 would like to donate money from its remaining fund balance for the expenses of a field trip including bus transportation and lunch for a group of 10 students attending a transition conference at the Corning Radisson on January 10. We will cover total expenses up to \$350.00.

Due to budget constraints this opportunity cannot be offered to this group of students. I am so excited that the hard work of TAE's 2014 graduates can result in an educational experience for other TAE students.

Sincerely,

Patti Pautz
TAE Class of 2014 Advisor
