Dear Elmira Heights Board of Education,

I have received three requests to donate to Cohen Elementary School. The combined donation, in the amount of \$300.00 dollars, will support our five (5) sections of fifth grade to view the Clemens Center School Time Series, Harriet Tubman and the Underground Railroad.

The generous donations are from James and Jaime Millhollen, Anne Millhollen, and donor who wishes to remain anonymous.

Sincerely,

Andy Lutz, Principal  
Cohen Elementary School
